## The Smaller Happenings of a Day in and About the City.

Capt. P. V. Green, who has been for the past few days at Cincinnati, was at his office yesterday.

The annual shooting match of the Washington Light Infantry Corps will take place at the Washington barracks to-day.

The court in general term yesterday appointed Mr. Enos J. McNamara a United States commissioner for this District.

Gustave Hartig and E. Woodruff have requested the removal of the wagon stand on the south side of K street, east of Seventh.

The commissioners have notified the property to be exempt from taxation must be held and owned by a religious society.

Complaint is made to the commissioners by Maurice Spain of the nightly howling of dogs in the block between Tenth and Eleventh and H and I streets.

The horse attached to the police ambulance ran away from the Freedman's Hospital Thursday afternoon, and in his fright made a wonderful jump. He cleared an excavation for the Boundary street sewer, wagon and all.

At the Sunday-school teachers' meeting this evening at 6:30 p. m. in the Young Men's Christian Association rooms Mr. Joseph Bowers, who has been absent from the class for three weeks, will resume the teaching of the lesson.

A festival was held last evening at Wayland Seminary in honor of the graduating students. A musical and literary programme was rendered, after which refreshments were served, and the balance of the evening spent socially.

Columns discovered America, and Edison invented the phonograph, but it remained for Dr. Hall to invent the remedy of the age, the Cough Syrup, the kidney cure.

A Party Wall Case Decided. Mrs. Mary A. Cull built a house on Second street east, between A and B streets south, in 1875, taking in on the south side the 4 1/2 inches allowed as a party wall, and has since resided in the house.

John W. Bayne who owns the adjoining lot, has begun the erection of a brick dwelling thereon, and claims the right to cut out that part of Mrs. Cull's house to the line of the division of the two properties and extend his house over that space. Mrs. Cull applied to the equity court for an injunction to prevent the tearing into the walls, which would carry away part of the front of her house and injure the property. In answer, Mr. Bayne put in the affidavits of Inspector Eulwile, Architect Snyder, Contractor Baldwin, and others, denying that any such injury contemplated would be committed. Justice Hagner, upon hearing the case yesterday afternoon, dismissed the restraining order and denied the injunction.

Frozen custard, Gaudier's, 705 10th st. n. w. Building Improvements. Kenderline and Parot have received the contract to erect one three-story and cellar brick for James G. Hill on E street, between Twentieth and Twenty-first streets. The front is of red brick. The building will be 34 by 42 feet, with a back building 17 by 17 feet. It will be heated by hot air. Stanford will build a two-story and cellar brick on C street, near Second, to cost \$3,500.

A Police Blunder. Between 1:30 and 2 o'clock yesterday morning the police stopped a number of laborers of the Baltimore and Potomac Railroad Company from putting in a siding from the main track into square 641.

The men were working without the necessary permit, although when the commissioners had removed the suspension of the permit they failed to notify the police to that effect. A number of the protesting citizens were present, headed by Mr. E. D. Wright, their attorney, and they greeted the departure of the baffled laborers with shouts of derisive laughter. The work was resumed yesterday.

Brightwood Races postponed until further notice.

The Robbery Record. Mrs. Elizabeth Darley, 321 Missouri avenue, reports that about 3 o'clock yesterday afternoon she met a colored man coming down stairs in her house; on investigation found that he had stolen from one of the rooms a pocketbook containing \$5 and some small change. Ambler Smith, she filed a petition for divorce, asking to be given the custody of their child, and that he be restrained from interfering with them. ## DRY GOODS.

## FIFTH DAY

OF THE

S. S. S. S. of S. S.

Many lines of New Goods are daily coming and going that we would like to be calling attention to, but the great surplus stock reductions require all of our attention and newspaper space, which goes to show the necessity of daily visits to our establishment.

Surplus Stock of Edgings and Swiss Flouncings.

No one can blame us for buying so many Embroideries and Flouncings at the New York Remptory Sale, for we were in the annual of the trade were they sold at such sacrificing prices. Yet we were compelled to buy largely to obtain the advantage of price. Having marked them at lower prices than the same goods could be obtained elsewhere, we yet find ourselves slightly overstocked, and propose to move this surplus by lowering the prices (already the lowest) to such an extent that they will be indisputably the best intrinsic values shown in any city.

1 surplus lot of Swiss Embroideries, three elegant styles, 3 to 5 inches wide. Former price, 25c. Surplus stock price, 15c.

1 surplus lot of Nainsook Embroideries, 11 inches wide, 4 rows of inserting in colors, for children's yokes. Former price, \$1.00. Surplus stock price, 50c.

1 surplus lot of 6-inch Nainsook Embroideries. Former price, 50c. Surplus stock price, 37 1/2c.

Surplus Stock of Swiss Flouncings.

1 surplus lot of 16-inch Swiss Flouncings, 10 inches of cloth, 13 inches of heavy embroidery. Former price, 37 1/2c. Surplus stock price, 25c.

1 surplus lot of 22-inch Swiss Flouncings, 13 inches of cloth, 13 inches of heavy embroidery. Former price, \$1.00. Surplus stock price, 75c.

1 surplus lot of 45-inch Swiss Flouncings, 25 inches of cloth, 13 inches of embroidery. These are particularly fine, and were good value at first price, but we have too many, and they must be sold.

Former price, \$1.50. Surplus stock price, 1.00 (Second Floor—Take the Elevator.)

Our Surplus Stock of Wash Goods—Our reason for again mentioning Wash Goods is this: That the Surplus Stock in this department is so perceptibly diminished that it is absolutely necessary to make an early visit to secure any of the Bargains then advertised.

Customers will understand that these Reduced Prices will only prevail so long as the Surplus Stock holds out.

We again enumerate a few of the goods then advertised:

12 1/2c. Gingham to 8c.

10c. Union Linen Lawns, 12 1/2c.

12 1/2c. Yard-wide Lawns, 10c.

15c. Elegant Batteaux, 12 1/2c.

40c. Figured Flannels, 25c.

(Second Floor—Take the Elevator.)

More Surplus Dress Goods.

The first surplus lots advertised are very perceptibly diminished, and you need not be surprised at our soon telling you that they are all gone; for at the rate they have been selling they cannot last more than a few days.

Surplus stock of 40-inch Challie Cloth, navy, solid, on lined blue, light blue on lined white, light blue on tinted pink.

Former price, 75c. Surplus stock price, 37 1/2c.

Surplus stock of All-wool Nainsook Vellings. Colors—Havana brown, seal black, quaker drab, stone, sapphire, cadet gray, cleaning, steel, London smoke, French gray, light and dark brown, maroon, green, and combination mixtures.

RETRACTING SKIRTS.—We have a surplus stock of Ladies' Seersucker Skirts, in plain and stripes, which must be sold.

Surplus Stock of Handkerchiefs.—We desire no man, woman, or child to overlook our Surplus Stock of Handkerchiefs, which will be found on a center counter, midway of the store on the first floor, for never before have we been able to offer such a collection, in such a variety, at such phenomenally low prices.

We have a Surplus Stock of the following goods in our Domestic Department which must be sold:
